

## **Newly Qualified Accountant - Private Equity Specialist**

Up to £45,000 basic salary plus bonus and benefits

### THE COMPANY

Our client is a well-established, global financial services firm. With a strong reputation in the marketplace, this organization now has a rare opportunity for a newly qualified Accountant in their Private Equity Funds team.

### THE OPPORTUNITY

As a direct result of further growth, the company has an exciting position, for a newly qualified Fund Accountant within the Private Equity Funds team. Reporting directly into the Head of Accounting Services, you will be responsible for the preparation of full statutory accounts for a series of private Equity Funds. You will also be getting involved with the preparation of accounts for some Real Estate structures. From time to time, you may also be supervising the work of junior accountants in the team.

### YOUR PROFILE

You will need to have a strong record of academic achievement, along with a numerate degree from a top-tier University. You will either be at the final stages of the ACCA/ACA/CA/CPA/CIMA, or have recently qualified. The client is looking to meet candidates with solid accounting experience from the Real Estate Fund or Private Equity sectors. You will be liaising with senior management on a day to day basis, so strong communication skills are a must for this position.
