

Real Estate Fund Specialist - Assistant Fund Accountant

Up to £34,000 plus bonus and benefits

The company

Our client is an award-winning financial services firm providing services to some of the world's largest and most prestigious Real Estate Fund Managers. Headquartered in Central London, the firm is now going through the next phase of its growth.

The opportunity

As a direct result of further growth the company has a vacancy for a part qualified accountant in their Real Estate Fund Team. Reporting directly into the Senior Fund Accountant, you will be handling full statutory accounts, year end, and some analysis work for a portfolio of Real Estate Fund clients. You will also be responsible for reviewing the work of junior accountants, and helping them with more complex accounting work.

Your profile

You will be a late stage/finalist ACCA studier, looking to take on a challenging role within a growing financial services firm. Essentially, you will come from a Real Estate fund background.

Solid experience preparing full accounts/year end within a Real Estate fund environment is a prerequisite. Solid IFRS, and UK - GAAP experience are highly desirable.

You will have a strong record of academic achievement. You will be liaising with senior management within the company, and within client firms on a day to day basis, so excellent communication skills are a must for this role.
